- 6.1 Passing between the west cardinal mark and the groyne located on the eastern side of Koombana Bay. See map (appendix 2) for relative location.
- 6.2 Competitors are advised of the following requirements in relation to shipping movements. A 'shipping movement' is classed as any vessel in excess of 49m with a pilot on board, and published in the Port's daily schedule: <http://www.byport.com.au/index.htm>
The 'shipping channel' is defined as per the diagram. The northern entry to the channel is at No.3 pylon. (marked 'H' on appendix 2 – Course Marks Map)

Requirements

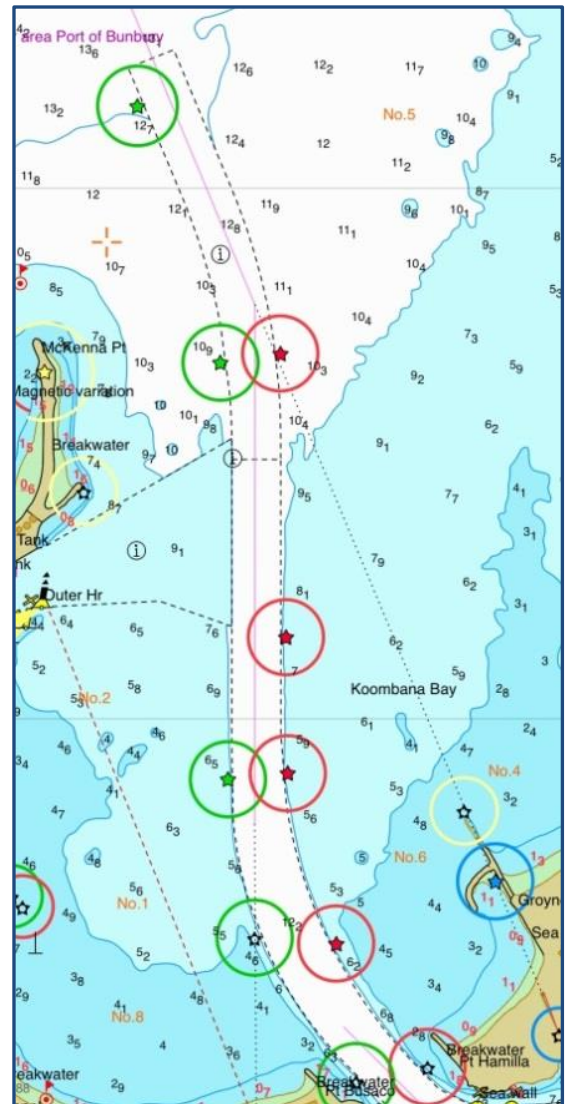

Never pass in front of a ship which has entered the shipping channel, whether racing or transiting to the race area.

Always leave the shipping channel immediately if a ship's horn blows (regardless of whether you believe it to be in the channel or not). Do not continue sailing to your next mark unless that is indeed the quickest route to exit the channel.

Always leave a minimum *one* ship's length if passing through the shipping channel behind a ship.

Always follow instructions however communicated from a race management boat, pilot boat, a tug or any other Port Authority personnel.

Always report incidents to the Officer of the Day as soon as is practical.
